What is required

This course presents a unique opportunity for your City's senior leadership team to engage intensively together, undistracted, on the key city reform challenges and how to meet these challenges, and to benefit from the experience and insights of others facing similar challenges.

Getting benefits from the course will require:

- **Active and full commitment** during the course period.
- Suitable **delegations and acting arrangements** need to be put in place to allow for full and undistracted attention during the course.
- **Preparation work**

Tonight's programme – Rapid reform is necessary

Storyline. Our major cities play a vital role in contributing to the overall success of South Africa. This role will become even more significant over time, but our cities are failing in many respects. Significant reforms are necessary.
